93.5 KDAY Extends Exclusive FM Broadcast Partnership With NFL's Oakland Raiders

(Los Angeles) 93.5 KDAY and the Oakland Raiders have announced 93.5 KDAY will continue to be the exclusive FM radio station in the Los Angeles metropolitan area. 93.5 KDAY will broadcast coverage of the Silver and Black's regular season and postseason games and carry exclusive Raiders content and coverage.

"93.5 KDAY is the perfect home for the Raiders in Los Angeles" said 93.5 KDAY Program Director Adrian Scott. "Hip Hop fans are the most passionate Raiders' fans in Southern California and we are thrilled to continue to be the exclusive FM radio station delivering the Oakland Raiders."

Oakland Raiders programming on 93.5 KDAY will continue to include hard-hitting pre-game and post-game shows, complete with key interviews.

Greg Papa, the voice of the Oakland Raiders, will again team with former Raiders quarterback, head coach and assistant coach **Tom Flores**. Flores is one of only two people in NFL history to earn a Super Bowl ring as a player, assistant coach and head coach. On the sidelines, joining the broadcast is Raiders former Pro Bowl tackle, **Lincoln Kennedy**.

Papa, named 2013 California Sportscaster of the Year by the National Sportscasters and Sportswriters Association (NSSA), returns for his 19th season broadcasting the Silver and Black. Papa also hosts MLB's San Francisco Giants Postgame Live and NBA's Golden State Warriors shows and has previously served as the radio and television voice of the Oakland A's, Giants and Warriors.

The Raiders plan to relocate to a yet-to-be-built stadium in Las Vegas in 2020. Their proposed 65,000-seat domed stadium will be located near the Las Vegas Strip. The Meruelo Group, owns 93.5 KDAY-FM, 93.5 KDEY-FM, 105.9 KPWR-FM (Power 106), the Grand Sierra Resort & Casino in Reno, Nevada and its recently announced acquisition of the SLS Resort & Casino on the strip in Las Vegas.

Compass Media Networks is once again responsible for all aspects of the broadcasts of all Oakland Raiders preseason, regular season, and postseason games on terrestrial radio.
